Reception Phonics Workshop Monday 18th September 2023
Reception Handwriting Workshop Monday 9th October 2023

Dear parent/ guardian,

We would like to invite you to a phonics workshop on Monday 18th September, where you will be able to find out about the phonics system used in school and how this supports your child's early reading and writing development. Three sessions will be available during the day for you to attend.

We would also like to invite you to a handwriting workshop on Monday 9th October. Again, three sessions will be available. The purpose of this workshop is to be able to explain our school's cursive handwriting system and how you can best support your child at home.

If you are able to attend any of the sessions, please sign and return the slip below to your child's class teacher. We look forward to meeting you.

With best wishes,

Mrs Heap
Headteacher

Mrs Clutterbuck
Reception Class Teacher
