

12th October 2023

Dear parent/ guardian,

End of KS2 SATs: Workshop for parents of children in year six
Monday 30th October 2023 at 5.30pm

If you have a child in year 6, they will be taking their national curriculum assessments in English grammar, punctuation and spelling, English reading and mathematics in May 2024. These formal tests are used to measure the progress and attainment of your child at the end of Key Stage 2.

This workshop will enable you to understand how the tests are administered, the content of the tests and what your child needs to know, advice on how you are able to help your child at home and why such support is essential preparation for transition of your child to high school at the end of year six.

If you are able to attend the session, please sign and return the slip below to your child's class teacher. We look forward to meeting you.

With best wishes,

Mrs Joanne B. Heap
Headteacher

Mrs Lauren Sutcliffe
Purple Class Teacher

Miss Ruth Noble
Gold Class Teacher
