

#### **Prioritised Areas for Development**

#### Focus 1: Equality as a whole

#### **Overview of Key Priorities 1**

• These actions take into consideration equality and equity as a whole at Tonacliffe, encompassing all six strands. It aims to promote community cohesion and diversity whilst tackling discrimination and ignorance, as well as upholding and teaching tolerance, acceptance, empathy and unity so that it becomes an established ethos as part of the Tonacliffe Primary School philosophy.

#### **Current Situation/ Critical Analysis**

- 1. We can show how we meet the Public Sector Equality Duty (PSED) through our Single Equality Duty Policy.
- 2. Whilst equality is taken into consideration and Tonacliffe has a commitment to equality and diversity, there is no clear procedure for monitoring of equality.
- 3. There is no lead on equality with no specific person overseeing the area.
- 4. We deal with equality issues when they arise, but we are not proactive in having measures in place before they are needed or come to light.
- 5. Some staff have concerns in regards to their understanding of some of the aspects within the strands of equality, including terminology.

#### Supporting Evidence

- 1. Whole school equality audit.
- 2. SLT meetings.

#### **Required Changes**

- 1. Our commitment to equality and diversity must feed through the ethos of the school, with all pupils, parents and staff embedding community cohesion into daily practice.
- 2. The school must become proactive in providing measures to ensure we are not only meeting the PSED but that we take this further by developing a culture and ethos where equality, diversity and community cohesion are entrenched within the school for all to observe.
- 3. Under-represented groups participate in all areas of school life.
- 4. Staff are aware of the different strands of equality and what equality means. They deliver principles of equality through daily teaching.

#### **Proposed Outcomes**

- 1. Inclusion lead to oversee equality within school.
- 2. Equality becomes a regular and sustained topic on SLT meeting agendas.
- 3. The school appears welcoming to people of all cultures, races and faiths, with barriers to participation in school life disassembled.
- 4. All staff are involved in the development and improvements within equality, community cohesion and diversity, and feel confident and able to do so.
- 5. PSHE scheme of work is audited to ensure all strands of equality are taught as needed and at an appropriate level.
- 6. The school council regularly discuss equality and are able to give a pupil voice in terms of equality objectives.

7. Governors are aware of the importance of the equality policy and are actively involved in the promotion and embedding of equality within school.

- 8. Signposting to be visible to support the whole school community.
- 9. The whole school curriculum actively includes all strands of equality and are explored when necessary and appropriate.

There is an option for the school website to be translated into different languages. This is at the top of the home screen. A staff questionnaire was not created and sent out but this will be done in September. Assemblies have included equality and diversity issues. School have celebrated diversity events such as World Downs Syndrome Day. School have also created a calendar of other events that everyone will celebrate or acknowledge. An equality governor needs to be appointed in September and to undertake training. Attendance of sub-groups needs to be monitored in September. Once improvements on the tracker have been made, data for sub-groups needs to be monitored and compared to local and national data. Once extra-curricular clubs and competitions re-start, attendance of sub-groups needs to be monitored. Instances of prejudice are reported to SLT and CC&D lead.

## **Prioritised Areas for Development**

#### Focus 2: Gender and gender variance

#### **Overview of Key Priorities 2**

• These actions are based on gender and gender variance (including trans+) and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

## **Current Situation/ Critical Analysis**

- 1. We have gender specific football teams but mixed gender clubs for other sports. Having a single sex football team may be causing unintentional bias and barriers to those unsure of their gender or those experiencing gender variance.
- 2. We celebrate Women and Girls in sport month.
- 3. We have 3 male members of staff out of 42.
- 4. No members of the school community are transgender or transitioning that SLT are aware of, however a staff questionnaire may help SLT become more aware of any gender related topics within the school staff.
- 5. We have staff toilets that are not gender specific however pupil toilets are from reception upwards.
- 6. We currently have no pupils who have raised any worries or questions over their gender, however a pupil questionnaire may raise any concerns pupils are having.

7. We have no gender neutral children on role and we have no pupils identifying as a different gender to the one that they were assigned at birth. **Supporting Evidence** 

- 1. Whole school equality audit.
- 2. Observations around school.
- 3. Subject data.
- 4. Admissions forms.
- 5. CPOMs reports.

## **Required Changes**

- 1. Gender stereotypes and bias are not subconsciously transferred onto our pupils.
- 2. That every club has opportunities for all and that participation is not gender specific.
- 3. Data does not show a trend for both boys and girls.
- 4. Staff are aware of how to spot signs of any pupil struggling to associate with their gender identity.

## **Proposed Outcomes**

- 1. That staff understand the terms linked to gender and gender variance.
- 2. That staff are able and feel comfortable in spotting signs of any pupil struggling with their assigned gender or any pupil who may identify as a gender not assigned at birth.
- 3. Staff to also understand how to communicate with any gender neutral pupils that may come on roll, e.g. use of correct pronouns.
- 4. To ensure that all clubs are inclusive and that children are not put off joining a club due to gender.
- 5. That as a school we are not portraying gender bias in any subliminal message.

Priority		Actions	Monitoring/	Milestone/	Resources	Personnel		Time	escale

# Focus 3: Sexual orientation

#### **Overview of Key Priorities 3**

• These actions are based on sexual orientation (including LGBTQ+) and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

## **Current Situation/ Critical Analysis**

1. Sexual orientation is taught through 'same sex families' in PSHE lessons. The terms 'lesbian' and 'gay' will be used with UKS2.

2. There have been instances of terminology used in homophobic slurs by pupils to other pupils. The PSHE scheme of work needs to address these terms when teaching projudice.

## **Prioritised Areas for Development**

## Focus 4: Disability

#### **Overview of Key Priorities 4**

• These actions are based on disability (both physical and mental) and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

#### **Current Situation/ Critical Analysis**

- 1. All children with a disability are currently on the SEN register. This is because it is felt that all our disabled children have a special educational need. However, it needs to be considered whether it would be more appropriate to have a disability register as well as a SEN register, as not all children with a disability may have an educational need. This includes those children who suffer from a mental health problem.
- 2. The school uses a social model of disability (identifying and removing barriers) as well as a medical model.
- 3. We need to consider whether every disabled child has the same opportunities as non-disabled for example participation in sports clubs and competitions.
- 4. All SEN children have a pupil passport and good provision is in place for them.
- 5. EYFS teach and learn sign language as part of their everyday routine.

#### **Supporting Evidence**

- 1. Whole school equality audit.
- 2. SEN register.
- 3. Registers of SEN participation in extra curricular sports clubs.
- 4. Registers of SEN participation in sports competitions.

#### **Required Changes**

- 1. To create a disability register as well as a SEN register, taking into account those children with mental health problems.
- 2. Ensure all staff use a social model of disability.
- 3. To ensure provision is in place to enable disabled children to participate in all extra-curricular activities.

## Proposed Outcomes

- 1. Staff can see and understand a clear difference between those children that have a specific learning need and those that have another need such as having a disability; both physically or mentally.
- 2. There is a register of those children that have a disability.
- 3. The school ensures that all staff and pupils follow a social model of disability as well as a medical model when appropriate.

**Prioritised Areas for Development** 

## Focus 7: Socio-economic status

#### **Overview of Key Priorities 7**

• These actions are based on the socio-economic status of our families and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

#### **Current Situation/ Critical Analysis**

- 1. We have 39 pupil premium children in year 1 to year 6.
- 2. We have 34 children on FSM.
- 3. Some pupil premium children use their funding for extra-curricular activities, both in and out of school.
- 4. Those children who did not have access to a device or the internet during lockdown were given a school laptop and support to access online learning.
- 5. Specific interventions are in place for those pupil premium children who need specific targeted support.
- 6. Pupil premium children are highlighted on maths and literacy books for book moderations.
- 7. Food parcels were sent out during lockdown to children on FSM and those in need.
- 8. A collection of toys and gifts were made available (donations from a local charity) for struggling families to pick some gifts from at Christmas time.
- 9. Signposting on the newsletter to help and support for those families struggling with socio-economic problems.

## **Supporting Evidence**

- 1. Whole school equality audit.
- 2. Pupil premium provision map.
- 3. Subject data.
- 4. Pupil premium register.
- 5. FSM register.
- 6. CPOMs reports.

#### **Required Changes**

- 1. Staff are aware of those families who face socio-economic struggles and know what support there is to put in place.
- 2. Staff are aware of the impact of Covid 19 pandemic on some of our families.
- 3. More signposting available to support for families facing socio-economic hardship.

#### **Proposed Outcomes**

- 1. Pupil premium children's data is in line with their peers.
- 2. Families are forthcoming if they are experiencing hardship.
- 3. Staff are aware of how and where to signpost families who come forward with worries or who are struggling financially.

Priority		Actions	Monitoring/	Milestone/	Resources	Personnel		Timescale	
Developments			Quality Assurance (with dates)	Success Criteria	and Costs	Lead	Other Personnel	Start	End
Pupil premium children's data is in line with their peers.	•	Monitor the attainment of pupil premium children and compare to local and national data.	LM monitor PP data. Termly.	Pupil premium data will be in line with local and national data.	NA	LM		June 2021.	Ongoing.
Staff are aware of how and where to signpost families who come forward	•	Monitor the provision in place for pupil premium children.	LM monitor PP provision map. Termly.	Provision and interventions are in place for those children that need.	NA	LM	Teachers	April 2021.	Ongoing.
with worries or who are struggling financially.	•	School uniform recycle event.	LS to monitor success of event. End of summer term.	An event is held each July to give out any uniform unclaimed from lost property.	NA	LS	PM SLT	July 2021.	Ongoing.
	•	More signposting to help and support in the form of texts, emails and the newsletter.	LS to monitor. Monitoring / observation of display board / newsletter / emails / texts.	Signposting is clearly available to organisations dedicated to support for financial worries and problems.	NA	LS	SLT Office staff	July 2021.	Ongoing.
Evaluation	Jul	ly 2021:	newsletter / emails /	dedicated to support for financial worries					

LM monitors the provision map termly. Teachers record assessment and interventions on the provision map.
School uniform has been collected and distributed to those families who wanted some.
Food parcels were made up and delivered to those children receiving FSM during lockdowns. Families were also signposted to council run schemes
for food parcels.
IT equipment was given out to families who needed it during lockdowns.
A local charity provided Christmas gifts for children which we then invited parents in to collect if they needed to.
