

Prioritised Areas for Development

Focus 1: Equality as a whole

Overview of Key Priorities 1

• These actions take into consideration equality and equity as a whole at Tonacliffe, encompassing all six strands. It aims to promote community cohesion and diversity whilst tackling discrimination and ignorance, as well as upholding and teaching tolerance, acceptance, empathy and unity so that it becomes an established ethos as part of the Tonacliffe Primary School philosophy.

Current Situation/ Critical Analysis

- 1. We can show how we meet the Public Sector Equality Duty (PSED) through our Equality and Community Cohesion Policy (2021).
- 2. There is a Community Cohesion and Equality Lead who is responsible for overseeing and the monitoring of equality throughout the school.
- 3. We have proactive measures in place in regards to all strands of equality but more can be done.
- 4. Some staff have concerns in regards to their understanding of some of the aspects within the strands of equality, including terminology. A staff questionnaire needs to be delivered so that appropriate training can be given.
- 5. Pupil views on equality have not been gained and so pupil questionnaires needs to be carried out.

Supporting Evidence

- 1. Whole school equality audit.
- 2. SLT meetings.
- 3. SIP
- 4. Display board.
- 5. Curriculum planning.
- 6. Community Cohesion and Equality policy.
- 7. EAL, PP and SEN register.

Required Changes

- 1. Our commitment to equality and diversity must feed through the ethos of the school, with all pupils, parents and staff embedding community cohesion into daily practice.
- 2. The school must become proactive in providing measures to ensure we are not only meeting the PSED but that we take this further by developing a culture and ethos where equality, diversity and community cohesion are entrenched within the school for all to observe.
- 3. Under-represented groups participate in all areas of school life.
- 4. Staff are aware of the different strands of equality and what equality means. They deliver principles of equality through daily teaching.
- 5. Pupils are aware of the different strands of equality and what equality means. They treat all children fairly and equitably and understand why staff do this too.

- 1. Inclusion lead to oversee equality within school.
- 2. Equality is a regular and sustained topic on SLT meeting agendas.
- 3. All staff are involved in the development and improvements within equality, community cohesion and diversity, and feel confident and able to do so.
- 4. PSHE scheme of work is audited to ensure all strands of equality are taught as needed and at an appropriate level.
- 5. The school council regularly discuss equality and are able to give a pupil voice in terms of equality objectives.
- 6. Governors are aware of the importance of the equality policy and are actively involved in the promotion and embedding of equality within school.
- 7. Signposting to be visible to support the whole school community.
- 8. The whole school curriculum actively includes all strands of equality and are explored when necessary and appropriate.

	highlighted to inform future actions.							
Evaluation	December 2022:							
	**All actions highlighted in green have been achieved.							
	**All actions highlighted in green have been achieved. The socio-economic accreditation was completed, however the SLA to Lancashire Equality Team was due to be paid at a cost of £400. SLT decided that school did not have the funds for this so the accreditation has been filed for a time, that if school does have available funds, it can be submitted. ** All actions highlighted in red are a priority. Summer Term – school council need to devise some equality statements and present these to school in assembly. Equality lead to deliver a pupil questionnaire on attitudes towards equality. When looking at attendance and persistent absence, this needs monitoring for sub-groups. When new admissions forms are created for September (electronic versions), LS will work with office to ensure preferred language and communication needs (e.g. large print or support with reading/understanding) are added.							

Prioritised Areas for Development

Focus 2: Gender and gender variance

Overview of Key Priorities 2

• These actions are based on gender and gender variance (including trans+) and how we will engage with concerns, bias, barriers and positive affirmation relating to such at Tonacliffe.

Current Situation/ Critical Analysis

- 1. We celebrate Women and Girls in sport month.
- 2. Either gender can attend any sports club but we have a girls only football club.
- 3. We have 4 male members of staff out of 42.

- 4. One pupil has raised questions over their gender and feel they sometimes like to be female when they were born male.
- 5. We have staff toilets that are not gender specific however pupil toilets are gender specific from reception upwards. However children are able to use the gender neutral disabled toilet if they would prefer.
- 6. We have no gender neutral children on role and we have no pupils identifying as a different gender to the one that they were assigned at birth, although one is questioning their gender and they may like to transition as they get older.

Supporting Evidence

- 1. Whole school equality audit.
- 2. Observations around school.
- 3. Subject data.
- 4. Admissions forms.
- 5. CPOMs reports.
- 6. Communication with parents and pupils.

Required Changes

- 1. Gender stereotypes and bias are not subconsciously transferred onto our pupils.
- 2. Data does not show a trend for both boys and girls.
- 3. Staff are aware of how to spot signs of any pupil struggling to associate with their gender identity.
- 4. The whole school accepts and does not challenge anyone transitioning gender.

- 1. That staff understand the terms linked to gender and gender variance, including the correct use of pronouns.
- 2. That staff are able and feel comfortable in spotting signs of any pupil struggling with their assigned gender or any pupil who may identify as a gender not assigned at birth.
- 3. Staff to also understand how to communicate with any gender neutral pupils that may come on roll, e.g. use of correct pronouns.
- 4. To ensure that all clubs are inclusive and that children are not put off joining a club due to gender.
- 5. That as a school we are not portraying gender bias in any subliminal message.

Evaluation	December 2022: **All actions highlighted in green h			1	I			
	March 2023:							

**All actions highlighted in green have been achieved.

** All actions highlighted in red are a priority.

Children in year six talk openly about gender, gender variance and pronouns. This will be incorporated into the pupil questionnaire to ensure children feel open to talking about their own gender and any questions they may have surrounding this.

All children took part in #LetGirlsPlay day and all the girls played in a football match against another class. This promoted women and girls in sport. More inspirational quotes need putting on the newsletter although pictures and updates were shared about #LetGirlsPlay day.

Prioritised Areas for Development

Focus 3: Sexual orientation

Overview of Key Priorities 3

• These actions are based on sexual orientation (including LGBTQ+) and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

Current Situation/ Critical Analysis

- 1. Sexual orientation is taught through 'same sex families' in PSHE lessons. The terms 'lesbian', 'homosexual, heterosexual, transgender and 'gay' will be used with KS2. They will be used with KS1 if they ask questions about it.
- 2. There have been instances of terminology used in homophobic slurs by pupils to other pupils. The PSHE scheme of work needs to address these terms when teaching prejudice.
- 3. We have had children raise questions over their own sexual orientation and some that have stated they were 'lesbian'.

Supporting Evidence

- 1. Whole school equality audit.
- 2. PSHE SoW.
- 3. CPOMs reports.

Required Changes

- 1. Children and staff feel comfortable and informed when discussing sexual orientation.
- 2. Children and staff know where to seek support about their own sexual orientation.
- 3. PSHE SoW is to include teaching about homosexuality, including terminology and homophobia.
- 4. Up to date resources with 'same sex' families represented.

- 1. Children and staff feel comfortable and informed when discussing sexual orientation appropriately.
- 2. Signposting to organisations regarding sexual orientation (age appropriate) are displayed.
- 3. Images of 'same sex' families are common place within school.
- 4. PSHE SoW is to include teaching about homosexuality, including terminology and homophobia.
- 5. Instances of homophobia are reduced and/or eliminated.
- 6. LGBTQ+ Pride Month is recognised and celebrated.

Prioritised Areas for Development
Focus 4: Disability
Overview of Key Priorities 4

• These actions are based on disability (both physical and mental) and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

Current Situation/ Critical Analysis

- 1. All children with a disability are currently on the SEN register. This is because it is felt that all our disabled children have a special educational need. However, it needs to be considered whether it would be more appropriate to have a disability register as well as a SEN register, as not all children with a disability may have an educational need. This includes those children who suffer from a mental health problem.
- 2. The school uses a social model of disability (identifying and removing barriers) as well as a medical model.
- 3. We need to consider whether every disabled child has the same opportunities as non-disabled for example participation in sports clubs and competitions.
- 4. All SEN children have a pupil passport and good provision is in place for them.
- 5. EYFS and KS1 teach and learn sign language as part of their everyday routine.

Supporting Evidence

- 1. Whole school equality audit.
- 2. SEN register.
- 3. Registers of SEN participation in extra curricular sports clubs.
- 4. Registers of SEN participation in sports competitions.

Required Changes

- 1. To create a disability register as well as a SEN register, taking into account those children with mental health problems.
- 2. Ensure all staff use a social model of disability.
- 3. To ensure provision is in place to enable disabled children to participate in all extra-curricular activities.

- 1. Staff can see and understand a clear difference between those children that have a specific learning need and those that have another need such as having a disability; both physically or mentally.
- 2. There is a register of those children that have a disability.
- 3. The school ensures that all staff and pupils follow a social model of disability as well as a medical model when appropriate.

Prioritised Areas for Development

Focus 5: Race

Overview of Key Priorities 5

• These actions are based on race (including ethnicity and culture) and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

Current Situation/ Critical Analysis

- 1. The school has 91% of White-British children on roll.
- 2. The school have 5 EAL children.
- 3. EAL children make good progress and have good outcomes.

Supporting Evidence

- 1. Whole school equality audit.
- 2. EAL register.
- 3. Subject data.
- 4. Data collection sheets.

Required Changes

- 1. The school has an up to date EAL policy.
- $2. \quad \text{The EAL register is updated at least annually}.$
- 3. All staff can identify our EAL children.
- 4. A network with a school in another country is set up.
- 5. There are more multi-cultural resources available.

- 1. The school has an up to date EAL policy.
- 2. The school has an up to date EAL register which all staff are familiar with.
- 3. Staff can identify our EAL children and provide support in the areas of need.

- 4. The school has a link with and international school with whom children communicate with and share experiences.
- 5. Resources are up to date and represent a multi-cultural society.

Focus 6: Religion and belief

Overview of Key Priorities 6

• These actions are based on religion, belief or the absence of religion and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

Current Situation/ Critical Analysis

- 1. Tonacliffe is a community school and although Christianity is taught through our British Values, followers of other beliefs are always welcome.
- 2. We have a Bible at the main entrance, however no other religious books are kept there.
- ${\it 3.} \quad {\it We have pupils of no faith, Christian, Muslim and Hindu within the school community}.$
- 4. The six major world religions (Christianity, Islam, Judaism, Buddhism, Sikhism and Hinduism) are taught throughout the school.
- 5. The absence of religion is not taught as a discrete subject through RE.
- 6. EYFS are good at celebrating world religious events but this is lost though the rest of the school.

Supporting Evidence

- 1. Whole school equality audit.
- 2. Data collection sheets.
- 3. Observations.

Required Changes

- 1. The importance of prayer to some people needs to be identified and shared so that members of the school community will feel able to pray when needed.
- 2. Assemblies need to include learning about other religious celebrations.
- 3. The school as a whole needs to celebrate other religious events, not just those of Christianity.

- 1. A multi-faith prayer room or space is available to those who wish to use it.
- 2. Religious events are celebrated throughout the whole school.

Priority		Actions	Monitoring/	Milestone/	Resources	Personnel		Time	escale

Prioritised Areas for Development

Focus 7: Socio-economic status

Overview of Key Priorities 7

• These actions are based on the socio-economic status of our families and how we will engage with issues, bias, barriers and positive affirmation relating to such at Tonacliffe.

Current Situation/ Critical Analysis

- 1. We have 43 pupil premium children in year 1 to year 6.
- 2. We have 45 children on FSM.
- 3. Some pupil premium children use their funding for extra-curricular activities, both in and out of school.
- 4. Those children who did not have access to a device or the internet during lockdown were given a school laptop and support to access online learning.

- 5. Specific interventions are in place for those pupil premium children who need specific targeted support.
- 6. Food parcels were sent out during lockdown to children on FSM and those in need.
- 7. A collection of toys and gifts were made available (donations from a local charity) for struggling families to pick some gifts from at Christmas time.
- 8. Signposting on the newsletter to help and support for those families struggling with socio-economic problems.
- 9. A uniform recycling event was held.

Supporting Evidence

- 1. Whole school equality audit.
- 2. Pupil premium provision map.
- 3. Subject data.
- 4. Pupil premium register.
- 5. FSM register.
- 6. CPOMs reports.

Required Changes

- 1. Staff are aware of those families who face socio-economic struggles and know what support there is to put in place.
- 2. Staff are aware of the impact of Covid 19 pandemic on some of our families.
- 3. More signposting available to support for families facing socio-economic hardship.

- 1. Pupil premium children's data is in line with their peers.
- 2. Families are forthcoming if they are experiencing hardship.
- 3. Staff are aware of how and where to signpost families who come forward with worries or who are struggling financially.
