

School Meals Payment and Debt Management

Introduction

This policy concerns to the collection of school meals money and the schools' approach in the case of debts arising when parents/carers fail to pay for school meals.

Parents/carers will be sent a copy of this policy when their children start at the school.

General Principle

School meals must be paid for in advance. If a pupil is to have meals for the duration of the week payment must be made on School Spider before the start of that week or if the school is to accept pupils having an occasional meal, for example, if they have forgotten their packed lunch, then payment must be received on the day of the meal.

If debts are incurred, then the school budget has to pay for this. As a result money which should be spent on all pupils' education in school is used to pay for debts incurred by individual parents / carers. The governing body see this as unacceptable and request that all parents / carers give this policy their full support.

Free School Meals Entitlement

Pupils will not be provided with a school meal unless it is paid for, or if the pupil is confirmed as entitled to free school meals. If parents/carers believe that their child/children may qualify for entitlement to Free School Meals they should contact Lancashire County Council. As this allowance is a statutory right for qualifying pupils it is important that parents/carers make use of it.

The school is only allowed to provide free school meals to pupils where this is officially approved and the school informed by the Local Authority.

Procedure for Collection of Arrears

It is accepted that on occasion arrears may arise for various reasons eg pupils forget their packed lunch and a school lunch is provided. However, arrears cannot be allowed to accumulate. The governing body has therefore agreed the following policy where arrears arise.

1. A text will be sent on day 1 to notify parents that their child has had a school meal that day. Payment would be requested on School Spider to bring the account up to date on that day.
2. The parent/carer will be informed in writing when one week of debt is still outstanding and advised to make immediate payment (Appendix 1).
3. A final letter to the parent/guardian informing them that no meals will be provided for their child/children if payment of an outstanding debt has not been received by a specified date, (ie in accordance with the policy the date when one weeks' arrears have accumulated) (Appendix 2).

If you are having financial difficulties please discuss this with either the Headteacher or the School Office. In certain situations we may be able to arrange a payment plan to recover the debt, providing that it is a regular payment and no further meals are taken until the debt is recovered in full.

Once the final letter deadline has expired the debt will be passed onto the debt recovery team at Lancashire County Council where legal proceeding may begin.
