Where only our best is enough

Forest School

Dear Parents/Carers,

White Class Forest School session will be held on Mondays. We will be exploring the natural environment whilst learning skills such as whittling, identifying trees, plants and animals, constructing dens and other structures using natural materials, creating natural artwork and enjoying stories under the canvas whilst drinking a hot chocolate- basically enjoying being outdoors and making the most of every opportunity this brings!

Please see White Class page on the website for information about the clothes needed in their forest kit. It is important that they have the correct forest kit, especially when the weather gets colder.

Forest School

Please give consent on the School Spider app. Alternatively, this slip below can be printed and returned to school as soon as possible.

I give my permission for my child to take part in Forest School (held in the woods adjacent to school) each week.

Child's name: _____

Parent/Carer's name: _____ Parent/Carer's signature: _____

Achievement, individuality and respect through working together
