

Welcome to Tonacliffe Primary School

Our school is a thriving, friendly, caring and happy community where every child matters. Our key aim is to help all of our children learn skills for life and achieve the very best they can on their learning journey towards high school and adulthood.

Our curriculum is designed to promote high standards, foster a love of learning and to encourage our children to be articulate, confident, independent, kind and considerate individuals.

Our dedicated staff team work hard to ensure our children are challenged and experience fun, engaging and active learning which ensures they make excellent progress and achieve good outcomes, whatever their starting point. We have and promote high expectations of behaviour for all of our children.

We are very proud of our school and the work that goes on here. Our website contains lots of information, however if there is something else you would like to find out, or if you would like to visit and see the school in action, please do not hesitate to contact us.

If you would like a hard copy of any of the information on the website just let us know and we will happily provide this for you.

With very best wishes,

Joanne Heap

Headteacher

The bottom of the page is decorated with large, overlapping curved shapes in shades of blue and yellow, creating a modern, abstract design.
